

Upcoming changes to L&I's Outpatient Drug Formulary and Selected Preferred Drug List for Workers

The Washington State Department of Labor & Industries announces changes to our Outpatient Drug Formulary and Selected Preferred Drug List effective October 1, 2019. The changes are available for review in our online [Outpatient Drug Formulary](#) and [Selected Preferred Drug List](#) PDF documents.

Summary of changes:

- new drug classes added: A6W, C4X, C4Y, H1D, H8V, J8E, V10, Z0K
